
EMPHASIS OF MATTER BY INDEPENDENT AUDITOR ON THE AUDITED FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2018

In compliance with Rule 704(4) of the Listing Manual Section B: Rules of Catalist of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”), the Board of Directors (the “**Board**”) of Jiutian Chemical Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that the Company’s Independent Auditor, Baker Tilly TFW LLP, had, without qualifying its audit opinions, included an emphasis of matter on the material uncertainty related to going concern in their audit report (the “**Independent Auditor’s Report**”) on the audited financial statements of the Company and its subsidiaries for the financial year ended 31 December 2018 (the “**FY2018 Audited Financial Statements**”).

Having regard to the following measures undertaken by Management to improve the operational performance and financial position of the Group as well as the continuing financial support provided by Anhua and Anyang Jiulong as described below, as seen in the extract of the relevant note of the FY2018 Audited Financial Statements as below, there are reasonable grounds to believe that the Group have adequate resources to continue their operations as going concern. Accordingly, the Board is of the opinion that the Group will continue as a going concern.

At 31 December 2018, the Group’s and the Company’s current liabilities exceeded the current assets by RMB21,208,000 (2017: RMB112,838,000) and RMB9,717,000 (2017: RMB9,246,000) respectively. These factors indicate the existence of a material uncertainty that may cast significant doubt on the Group’s and the Company’s ability to continue as going concerns and to realise their assets and discharge their liabilities in the ordinary course of business.

The ability of the Group and the Company to continue as going concerns is dependent on:

- (i) the continuing financial support from Anyang Chemical Industry Group Co., Ltd. (“Anhua”) and Anyang Jiulong Chemical Co., Ltd. (“Anyang Jiulong”), both are subsidiary companies of Henan Energy and Chemical Industry Group Co., Ltd. (“HNEC”), a related party of the Group. The details of the financial support which was provided to Anyang Jiutian Fine Chemical Co., Ltd. (“Anyang Jiutian”), a significant subsidiary company of the Group, are described in Note 23;*
- (ii) the ability of the Group to generate sufficient cash flows from their operations to meet their current and future obligations; and*
- (iii) the availability of credit facilities from the Group’s and the Company’s lenders over the next twelve months.*

Management has taken the following measures to improve the Group’s operational performance and financial position:

- (i) sourced for new customers and held discussions with the Group’s major customers to seek higher sales volume and negotiate for better prices; and*
- (ii) continuously seek improvements in the production efficiency of the Group’s production facilities through technological enhancements and system re-engineering in order to further reduce the costs of production.*

After considering the measures taken described above, the directors and the management believe that the Group and the Company have adequate resources to continue their operations as going concerns.

Additionally, the Board (i) is in the opinion that sufficient information has been disclosed for trading of the Company's securities to continue in an orderly manner; and (ii) confirmed that all material disclosures have been provided for trading of the Company's shares to continue.

A copy of the aforesaid Independent Auditor's Report together with an extract of the relevant notes of the FY2018 Audited Financial Statements is annexed to this announcement for reference.

Shareholders are advised to read the FY2018 Audited Financial Statements which will be despatched to them in due course as part of the Company's Annual Report for FY2018.

By Order of the Board

HAN LIANGUO
Non-Executive and Non-Independent Chairman
Date: 3 April 2019

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF JIUTIAN CHEMICAL GROUP LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Jiutian Chemical Group Limited (the "Company") and its subsidiary companies (the "Group") as set out on pages 12 to 65, which comprise the statements of financial position of the Group and the Company as at 31 December 2018, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group and the statement of changes in equity of the Company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2018 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and of the changes in equity of the Company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority (ACRA) *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 3 to the financial statements with respect to the Group's and the Company's ability to continue as going concerns. At 31 December 2018, the Group's and the Company's current liabilities exceeded the current assets by RMB21,208,000 (2017: RMB112,838,000) and RMB9,717,000 (2017: RMB9,246,000) respectively. These factors indicate the existence of a material uncertainty that may cast significant doubt about the Group's and the Company's ability to continue as going concerns and to realise their assets and discharge their liabilities in the ordinary course of business. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Material Uncertainty Related to Going Concern* section, we have determined the matters described below to be the key audit matters to be communicated in our report.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
JIUTIAN CHEMICAL GROUP LIMITED (cont'd)**

Report on the Audit of the Financial Statements (cont'd)

Key Audit Matters (cont'd)

1. Investment in associated companies

Description of key audit matter:

As disclosed in Note 17 to the financial statements, the Group's associated companies are Anyang Jiulong Chemical Co., Ltd. ("Anyang Jiulong") and Anyang Jiujiu Chemical Technology Co., Ltd. ("Anyang Jiujiu"). The Company's direct ownership interests in both Anyang Jiulong and Anyang Jiujiu are 49% and the remaining 51% interest in Anyang Jiujiu is owned by Anyang Jiulong. The Group's effective interests in Anyang Jiulong and Anyang Jiujiu are 49% and 74% respectively.

The carrying value of the Group's investment in associated companies is stated at RMB297,213,000 which accounted for approximately 20% of the Group's total assets as at 31 December 2018. The Group's result is affected by its share of losses from associated companies amounting to RMB 48,383,000 for the financial year ended 31 December 2018.

The significant losses in associated companies is considered an indication that the non-financial assets of the associated companies and consequently, the Company's investment in associated companies may need to be impaired. Any impairment on the associated companies' non-financial assets will have a significant adverse impact on the share of losses from investment in associated companies. Management performed an impairment assessment on the associated companies' non-financial assets and the Company's investment in the associated companies based on the discounted cash flow projections of the cash generating units to determining the value-in-use.

We considered this is to be a key audit matter because of the significance of these investments and the element of judgement and estimates applied by management in forecasting and discounting future cash flows for the impairment assessment of the non-financial assets of the associated companies and the Company's investment in associated companies as disclosed in Note 3 to the financial statements.

Our procedures to address the key audit matter:

We evaluated the independence, objectivity, capabilities and competence of the component auditor of the associated companies. We also engaged in continuous communications with the component auditor throughout the audit and sent out audit instructions to the component auditor to satisfy our group audit requirements.

We evaluated the sufficiency and appropriateness of the audit work performed and evidence obtained by the component auditor on the impairment assessment on the associated companies' non-financial assets. We have also obtained value-in-use calculations from management and assessed the reasonableness of the key assumptions and inputs applied by management. We performed sensitivity analysis on forecast sale volume, gross profit margin and discount rates assumptions to the value-in-use calculations. We have also enlisted our firm's internal valuation team to evaluate the reasonableness of the weighted average cost of capital used.

We have also evaluated the adequacy and appropriateness of the disclosures made in the financial statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
JIUTIAN CHEMICAL GROUP LIMITED (cont'd)**

Report on the Audit of the Financial Statements (cont'd)

Key Audit Matters (cont'd)

2. Amount due from associated company

Description of key audit matter:

As disclosed in Note 12 to the financial statements, the Group has non-trade amount due from associated company, Anyang Jiujiu amounting to RMB145,442,000 (2017: RMB103,219,000) as at 31 December 2018 which accounted for approximately 10% of the Group's total assets as at 31 December 2018. The non-trade amount due from associated company represents advances to Anyang Jiujiu for the payments of costs incurred for the construction of its manufacturing plants.

As described in the Note 3 to the financial statements, the impairment losses have been determined in accordance with SFRS(I) 9 *Financial Instruments*.

The assessment of the collectability of non-trade amount due from associated company is considered a key audit matter as the non-trade receivables form a material portion of the Group's assets and SFRS(I) 9 is a new accounting standard which requires the exercise of judgement and significant estimates based on subjective assumptions and forward-looking information to determine the impairment.

The key areas of judgement and significant estimates included assumption used in the expected credit loss model such as the probability of default, financial condition of the counterparty, estimated profits and forecasted cash flows.

Our procedures to address the key audit matter:

We have assessed the techniques and methodology applied by management against the requirements of SFRS(I) 9. We have evaluated expected credit loss calculation for exposures assessed. We have evaluated, by considering amongst others, factors such as probability of default, financial position and latest performance of Anyang Jiujiu, current status of production and estimated profits and forecasted cash flows of Anyang Jiujiu.

We have also evaluated the adequacy and appropriateness of the disclosures made in the financial statements.

3. Impairment review of the Group's property, plant and equipment and land use rights and the Company's investment in subsidiary companies

Description of key audit matter:

As disclosed in Note 15 and Note 14 to the financial statements, the Group's property, plant and equipment and land use rights as at 31 December 2018 amounting to RMB289,073,000 after deducting accumulated impairment losses of RMB95,483,000 and RMB4,624,000 respectively, which in aggregate accounted for approximately 20% of the Group's total assets as at 31 December 2018.

As disclosed in Note 3 to the financial statements, management performed a review of the recoverable amounts of the Group's property, plant and equipment and land use rights. Based on management's assessment, no additional allowance for impairment loss on property, plant and equipment and land use rights is necessary at the end of the reporting period. In addition, no reversal of impairment loss on property, plant and equipment recognised in prior financial years is required as at 31 December 2018, as the recoverable amounts are not significantly higher than the carrying amounts of the property, plant and equipment and land use rights.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
JIUTIAN CHEMICAL GROUP LIMITED (cont'd)**

Report on the Audit of the Financial Statements (cont'd)

Key Audit Matters (cont'd)

3. Impairment review of the Group's property, plant and equipment and land use rights and the Company's investment in subsidiary companies (cont'd)

Description of key audit matter: (cont'd)

In performing impairment review of the Group's property, plant and equipment and land use rights, management also assessed the recoverable amounts of the Company's investment in subsidiary companies as disclosed in Note 3 to the financial statements. As disclosed in Note 16 to the financial statements, a reversal of allowance for impairment on the cost of investment in subsidiary companies of RMB15,000,000 was recognised in the Company's profit or loss to write-back the net carrying amount of investment in subsidiary companies to its recoverable amount as at 31 December 2018.

Impairment review of the Group's property, plant and equipment and the Company's investment in subsidiary companies is considered a key audit matter due to the significance of these amounts to the Group's and Company's financial positions. In addition, there are significant judgement and estimations involved in the calculation of the recoverable amounts, in particular relating to forecasted cash flows and the discount rate applied to the value-in-use calculation.

Our procedures to address the key audit matter:

We have evaluated the independence, objectivity, capabilities and competence of the component auditor of the subsidiary companies. We also engaged in continuous communications with the component auditor throughout the audit and sent out audit instructions to the component auditor to satisfy our group audit requirements.

We evaluated the sufficiency and appropriateness of the audit work performed and evidence obtained by the component auditor on the impairment assessment of the property, plant and equipment and land use rights of the subsidiary companies. We have also obtained value-in-use calculations from management and assessed reasonableness of the key assumptions and inputs applied in the computation of the recoverable amounts of the Group's property, plant and equipment and land use rights and also the Company's investment in subsidiary companies. We performed sensitivity analysis on forecast sale volume, gross profit margin and discount rates assumptions to the value-in-use calculations. We have also enlisted our firm's internal valuation team to evaluate the reasonableness of the weighted average cost of capital used.

We have also evaluated the adequacy and appropriateness of the disclosures made in the financial statements.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report 2018, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
JIUTIAN CHEMICAL GROUP LIMITED (cont'd)**

Report on the Audit of the Financial Statements (cont'd)

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I), and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

Extracted from the Independent Auditor's Report to the Audited Financial Statements of Jiutian Chemical Group Limited for the financial year ended 31 December 2018

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
JIUTIAN CHEMICAL GROUP LIMITED (cont'd)**

Report on the Audit of the Financial Statements (cont'd)

Auditor's Responsibilities for the Audit of the Financial Statements (cont'd)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Ong Kian Guan.

**JIUTIAN CHEMICAL GROUP LIMITED AND ITS SUBSIDIARY COMPANIES
NOTES TO THE FINANCIAL STATEMENTS
For the financial year ended 31 December 2018**

3 Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustments to the carrying amount of the asset or liability affected in the future.

Critical accounting judgements

Going concern assumption

At 31 December 2018, the Group's and the Company's current liabilities exceeded the current assets by RMB21,208,000 (2017: RMB112,838,000) and RMB9,717,000 (2017: RMB9,246,000) respectively. These factors indicate the existence of a material uncertainty that may cast significant doubt on the Group's and the Company's ability to continue as going concerns and to realise their assets and discharge their liabilities in the ordinary course of business.

The ability of the Group and the Company to continue as going concerns is dependent on:

- (i) the continuing financial support from Anyang Chemical Industry Group Co., Ltd. ("Anhua") and Anyang Jiulong Chemical Co., Ltd. ("Anyang Jiulong"), both are subsidiary companies of Henan Energy and Chemical Industry Group Co., Ltd. ("HNEC"), a related party of the Group. The details of the financial support which was provided to Anyang Jiutian Fine Chemical Co., Ltd. ("Anyang Jiutian"), a significant subsidiary company of the Group, are described in Note 23;
- (ii) the ability of the Group to generate sufficient cash flows from their operations to meet their current and future obligations; and
- (iii) the availability of credit facilities from the Group's and the Company's lenders over the next twelve months.

Management has taken the following measures to improve the Group's operational performance and financial position:

- (i) sourced for new customers and held discussions with the Group's major customers to seek higher sales volume and negotiate for better prices; and
- (ii) continuously seek improvements in the production efficiency of the Group's production facilities through technological enhancements and system re-engineering in order to further reduce the costs of production.

After considering the measures taken described above, the directors and the management believe that the Group and the Company have adequate resources to continue their operations as going concerns.

For these reasons, the financial statements have been prepared on the assumptions that the Group and the Company will continue as going concerns. If the Group and the Company are unable to continue in operational existence for the foreseeable future, the Group and the Company may be unable to realise their assets and discharge their liabilities in the normal course of business and adjustments may have to be made to reflect the situation that assets may need to be realised other than in the normal course of business and at amounts which could differ significantly from the amounts at which they are currently recorded in the statements of financial position. In addition, the Group and the Company may have to provide for further liabilities that might arise, and to reclassify non-current assets and liabilities as current assets and liabilities.

**JIUTIAN CHEMICAL GROUP LIMITED AND ITS SUBSIDIARY COMPANIES
NOTES TO THE FINANCIAL STATEMENTS
For the financial year ended 31 December 2018**

23 Related party transactions

Financial support from Anhua and Anyang Jiulong

On 25 December 2017, Anyang Jiutian secured a letter of continuing financial support from Anhua and Anyang Jiulong, which Anhua and Anyang Jiulong had agreed to defer the payments of trade and other payables owing to them till Anyang Jiutian is able to settle its other liabilities. This agreement is for a period of 2 years ending 31 December 2019 and subject to further review. In addition, Anhua and Anyang Jiulong will extend credit period when Anyang Jiutian has cash flow problems and agreed to supply the raw materials to Anyang Jiutian for the financial years ended 31 December 2018 and 31 December 2019.
